“ Chris was a great work colleague & friend, and I'm truly happy to have met him and worked with him! I definitely wouldn't know my way around the office without him. He was always ready to show me anything that I needed help with, or respond to an email or phone call at a moments notice. I'm truly grateful for Chris' help and he will be dearly missed.

“ I will always remember hunting geese (well, that's what we called it) with Chris. We bantered about who could produce the best call. Chris was able to call in a flock of starlings and we embellished that story each time and wherever it was told:-) I also will remember going to Gettysburg last year for the Christmas celebration. It was lots of fun and a good time. You were a good friend and will be missed. Also, thanks for the special occasions where I was able to celebrate with you and your family. RIP my buddy. Dennis

“ The last game of scrabble just days before with his children Megan and Jacob, it touched my heart, and I'm sure the children enjoyed and will always remember. Love of the Lord to all of you  
Natalie, Jacob, Megan and his family too.
