“ Trisha, we have shared many years of friendship and I was so honored to have known Dave and to have been there when you met, began dating and married. Our trips to the Mountains for Creation, our concerts for Amy Grant, Michael W Smith and many others and most especially our trip to Nashville for the Dove Awards are among my favorite memories of both you and especially Dave. But once Dave came into your life you two were always together so the special memories I hold of Dave are connected to both of you. The many times I came to your home in Clinton and the Christian videos we watched together. Dave's laugh and just quiet gentle presence always stood out to me. I felt safe in Nashville and traveling to concerts in VA or PA to Creation because Dave was there. Quiet but confident in statue and I knew we would be safe no matter where we all ventured together because Dave was there to protect us. Even our 'missed' trip to Creation, I still can't remember what happened, that got us to camp out and go to Hershey Park instead are all cherished memories and Dave is a huge part of all of that.

My Friend know I am here for you and your girls and Colby always and you know that I know what your beautiful children are going through having lost my own father at only age 13. They have a fantastic mother who will take good care of them and a Dad now looking down from Heaven on them to keep them safe as he kept all those in his life safe. Dave Rest in the Arms of Jesus my friend and your family and your and Trisha's friends will be here for Trish and the kids always. Love you all Patti Hutchison I miss you already Dave and so wanted to see you these past weeks but we shall see each other again one day I know. Say hello to my mom if you see her as you knew her in this world and my dad too. Pray for us all Dave and put in a good word or two with Our Beloved Jesus for us! Love Patti
