

Scott Michael Brown

October 3, 1976 - August 19, 2021

Scott Brown and his wife Laurie Brown, both 44, passed away in a tragic accident in Arizona. Scott was a caring father and devoted husband. He met Laurie on her first day on campus at UMBC, where he participated in ROTC while earning a bachelor's degree. Following graduation, Scott served his country honorably as a U.S. Army Captain and Army Ranger. He deployed in support of Operation Iraqi Freedom and Operation Joint Guardian, where he earned numerous awards and medals.

He transitioned to a career in law enforcement, initially as a Deputy with the Calvert County Sheriff's Office. He earned several awards during his tenure. He joined the Health and Human Services where he led successful criminal and civil investigations. Scott is credited with a variety of improvements within the agency, most recently achieving a promotion to Special Agent in Charge of the National Training and Emergency Operations Branch.

Scott loved his family deeply. He and Laurie were married for nearly 19 years. They were faithful members of Jesus the Good Shepherd Catholic Church. They have 3 beautiful children that they adored. Scott was so proud of his children and loved to support them in everything they enjoyed.

Scott enjoyed a variety of activities including running, biking, and traveling as well as building and maintaining their home in Calvert County. Scott was so easy to talk to about almost anything, from serious to silly. He liked to joke around and act goofy at times. He is thought of as someone to look up to, a man of integrity and a treasured friend. He is well respected amongst his supervisors, peers, staff, neighbors, friends and family. Scott will be especially missed by his dear children Lindsay, Ciara and Ryan; his sister Kristine Brown and her children and his Aunt Alison.

The family will receive friends at Lee Funeral Home Calvert, 8200 Jennifer Lane, Owings, MD on Friday, September 3, 2021 from 1:00 PM to 4:00 PM. A Mass of Christian Burial will be celebrated at Jesus the Good Shepherd Catholic Church, 1601 W. Mount Harmony

“ I met Scott in 2004 during our time in the police academy. After six long months 41 of us went our separate ways and went on to our agencies. I had heard years later that Scott had left and gone to HHS. 10 plus years after graduation I was working with a task force and our paths crossed once again, we worked a case together. Scott was genuinely the nicest person. He truly cared about his work and loved his family so much. During our first meet up we caught up for a few minutes and showed off our families in photos we had on our phones. He absolutely would light up when he showed photos of his family, you could see how proud he was to be their dad. My sincere condolences to Scott and Laurie's friends and loved ones.

“ Scott was one of the nicest and most genuine professionals I've ever had the pleasure to work with at HHS OIG. Always sincere and excited about making an impact. The last time we spoke was a couple of days before his passing, and he was so excited about his new role. I told him how happy I was for him, and he expressed how he was looking forward to working together. OIG definitely lost a truly special person. My prayers go out to the Brown family, friends and colleagues of both Scott and Laurie. Rest In Peace, friend!

“ I first met Scott and Laurie when they came to tour the center for their youngest child Ryan . Scott and Laurie were the most sweetest , friendly and happy two . Their children were their world . I just remember the drop offs of how they would kiss and hug Ryan bye . But they were caring people as well they would always ask me how was I doing and tell me thank you for everything. So sad they are gone but their lives will always be remembered. Praying for the kids and the whole family !

“ I met Scott when he was still a Deputy with the CalCo Sheriff's Department. During a traffic stop I found out we lived in the same small neighborhood. Our next encounter was in 2011 when Scott joined the HHS Office of Inspector General where I work as an HR Specialist. Scott and I laughed about our first encounter and he jokingly said he hoped I didn't hold a grudge and mess up his personnel paperwork. I know Scott's passing is being felt deeply by his colleagues and those fortunate enough to call him friend.

Rest In Peace, Scott and Laurie.

“ Scott was a genuine guy, always working hard for his family. I went over to their house a few times and Scott was cleaning the garage, or planting flowers, or cleaning the pool. or making chili - always working for his family with a smile on his face. I am so sorry for his family's loss. May Scott Rest in Peace.

“ Scott was one of the best men that I have ever known. A natural leader, humble yet strong, ceaseless in his determination to do the best that he could do at whatever task. He also tended to have the energy of a rabid squirrel. Ironically, several years ago, Scott and I discussed what we thought evidenced a man's true success and legacy. We came to the conclusion that if people could HONESTLY say "he was a good father, a good husband, a good son, a good brother and a good friend. What else could a man of honor ask for? Mission accomplished Brother. I will see you again. Fletch,

“ Scott was such a great guy to work with. I worked with him at Calvert in the Investigations Division for years. He was a "go to" guy that you could always count on. He loved his family so much, you could tell by the way he talked about them. I was always so impressed by how much he had accomplished at such a young age, he was a natural leader and mentor to so many people and truly left his mark at the Sheriffs Office when he moved on to bigger and better things.

My heart breaks for the loss of two great people. I hope he and Lauras kids are reminded of how amazing they both were and all the great things they did in their lifetime. My thoughts are with all that knew them and hope they know they are not alone in this sadness.

“ My husband used to work with Scott at CCSO. Our kids were also in preschool together and that's where my youngest became best buds with Ryan. We saw Scott frequently at soccer events or the kids' get-togethers. Scott was an absolute family man and was always so pleasant to be around. The kids and the entire family are in our prayers.

“ I met Scott through Laurie and as expected, he was just as kind and welcoming. You could tell that family was a priority for him. My thoughts and prayers continue to go out to Lindsay, Ciara, and Ryan [as well as the rest of the family].

“ Rest in peace sir, I was fortunate to have met you a handful of times having worked with Laurie. I was always so impressed with the stories she would share of you with me. You are truly a special person and departed this earth too soon. Condolences to the Brown family, you will always be in our thoughts and prayers. To Lindsay, Ciara and Ryan, we will always have you in our thoughts and prayers, and hope that you will soon find peace and comfort knowing how special your parents are and how much they loved you.
